- Skill Edge
- Holistic Development

# WHAT WE DO?

## 1. Profile & Resume Builder:

Crafting compelling profiles and resumes for students to effectively present their skills and achievements.

## 2. Assessment & Discovering Your Personality:

assessments to help students understand their strengths, weaknesses, and unique personality traits.

## 3. Career Exploration:

Offering comprehensive career exploration sessions to introduce students to various professions and industries.

## 4. College Search:

Assisting students in researching and identifying colleges that align with their academic and personal preferences.

## 5. Event and College Campus Tour:

Organizing events and campus tours to provide students with first hand experiences of college life.

## 6. Connecting Alumni Community:

Establishing a platform for students to connect with alumni, fostering mentorship and networking opportunities.
